THE ANARCHISTS.

Argument by the Attorney-General to-day.

THE LAWTON DEFALCATION.

Casting Bread Upon the Waters—A Priest Arrested—His Semi-Centennial—News Notes.

The Anarchists' Case.

OTTAWA, Ills., March 18.—The State's Attorney-General made his argument before the Supreme Court in the Anarchists' case to-day. He said at the start that it would be strange if in a case of such great length a few errors had not crept in, but the court would find that no errors had occurred sufficient to warrant the granting of a new trial. Justice had not been obstructed or interfered with in the slightest degree in the process of the trial. The case involved the integrity of the Constitution and the very stability of the government. Anarchists were on trial and there was no use in attempting to deny it. He then reviewed the testimony to prove the fact of a conspiracy. The Attorney-General followed and confined himself to expounding the law of conspiracy, and contended that under the evidence the defendants were absolutely convicted of murder.

Plain Talk.

LONDON, March 18.—The Times asks why the Parnell party do not try to refute the charges made in its article on Parnellism and crime. It says none of the party has taken legal action, although if the charges were proved to be untrue, heavy damage might be asked. Can Gladstone and his friends persist in telling the English and Scotch Liberals that it is safe and honorable to surrender the government of Ireland to the allies and instruments of anti-British plotters in America?

At Tangiers.

TANGIERS, March 18.—The United States steamship Quinebaug has arrived here and has exchanged salutes with the city forts in celebration of the installation of the new American Consul, Lewis. A crowd of natives to-day, visited the residence of Ion Perdicaris to thank him for having, as an American citizen, secured their release from the prison in which they had, it is alleged, been confined by usurious creditors through the influence of foreign consuls.

The Lawton Defalcation.

NEW YORK, March 18.—The office of Walter E. Lawton, 31 Broadway, this morning was besieged with excited creditors. They could not get much information, as the chief bookkeeper of the firm had disappeared. Rufus Y. Kirkland, partner of Lawton, is making an examination of the affairs of the absconding debtor, whose defalcations will amount to more than half a million.

CASTING BREAD UPON THE WATERS. VIENNA, March 18.—The fund being raised by the press of Russia for the benefit of the families of insurgents recently executed in Bulgaria, has reached the sum of 10,000 roubles, of which the Czar donated 5,000 roubles, the Czarina 3,000 roubles, and the Czarovich 1,000 roubles. It is rumored in Vienna that a rising was attempted in Moscow on Sunday but was suppressed.

A Priest Arrested.

DUBLIN, March 18.—Father Keller, of Cork, was arrested to-day. He had twice declined to receive a summons ordering him to appear in court and answer questions respecting his custody, as trustee under the plan of campaign, of money belonging to tenants on the Penobscot estate.

Mechanical Deformity.

BOSTON, March 18.—In the investigation of the Bussey bridge disaster, to-day, Theodore D. Moses, civil engineer, declared that he had always regarded the bridge as a mechanical deformity and had within two weeks warned the road officials that a disaster might occur.

Paris Points.

PARIS, March 18.—A committee of the Chamber of Deputies having the matter in charge has fixed the import duty on corn at 3 francs. To-day being the sixteenth anniversary of the declaration of the Commune it is being celebrated by Communists in Paris and the provinces by more than fifty banquets.

Business.

ZANZIBAR, March 18.—The French have sent a man-of-war to bombard the walled town of Johanna, capital of the island of the same name, in the channel between Mozambique and Madagascar. The reason given by the French is that the King of Johanna refused to receive the French residents at his capital.

No More.

SOFIA, March 18.—The Regents have assured foreign envoys that no more persons who participated in the recent insurrection will be executed.

A Jury at Last.

NEW YORK, March 18.—A jury was finally obtained to-day in the case of ex-Alderman Cleary after a delay of fifteen days.

Big Blaze.

ROCK HILL, S. C., March 18.—The postoffice and eleven mercantile firms were burned out here last night. Loss, \$167,000.

"Buchu-Paiba."

Quick, complete cure, all annoying, Kidney, Bladder, and Urinary Diseases. \$1. At druggists.

Distinguished Visitors.

WASHINGTON, March 17.—Ex-Governor Robinson, of Massachusetts, was at the White House to-day. He was offered a place on the Inter-State Commerce Commission about two weeks ago, and declined by letter. The same offer was repeated to-day, and again declined. Ex-Governor Thurman was also among the President's callers to-day, and it is presumed his visit has some connection with the appointment of the Commissioners.

The Burglar Caught.

NEW YORK, March 18.—Peter English, the burglar who three weeks ago tried to murder Officer Higginbotham, of the New York police, was arrested here to-day. He is supposed to be the murderer of Lyman S. Weeks, killed at his own home on Tuesday morning last by the burglar who entered the basement.

His Semi-Centennial.

WASHINGTON, March 18.—To-day is the fiftieth anniversary of President Cleveland's birthday, but there is no outward observance of the event at the White House, beyond the presentation of a number of floral tributes.

Death of Mrs. Washburne.

CHICAGO, March 18.—Mrs. Washburne, wife of Elihu B. Washburne, ex-United States minister to France, died at 7.10 this morning at her rooms at the Tremont House.

Obituary.

NEW YORK, March 18.—George Sickles died last night at his home in New Rochelle.

Enjoy Life.

What a truly beautiful world we live in! Nature gives us grandeur of mountains, gleams and oceans, and thousands of means of enjoyment. We can desire no better when in perfect health; but how often do the majority of people feel like giving it up disheartened, discouraged and worn out with disease, when there is no occasion for this feeling, as every sufferer can easily obtain satisfactory proof, that Green's August Flower, will make them free from disease, as when born. Dyspepsia and Liver Complaint are the direct cause of seventy-five per cent. of such maladies as Biliousness, Indigestion, Sick Headache, Constipation, Nervous Prostration, Dizziness of the Head, Palpitation of the Heart, and other distressing symptoms. Three doses of August Flower will prove its wonderful effect. Sample bottles, 10 cents. Try it.

Saved His Life.

MR. D. I. WILCOXSON, of Horse Cave, Ky., says he was, for many years, badly afflicted with Phthisis, also Diabetes; the pains were almost unendurable and would sometimes almost throw him into convulsions. He tried Electric Bitters and got relief from first bottle and after taking six bottles, was entirely cured, and had gained in flesh eighteen pounds. Says he positively believes he would have died, had it not been for the relief afforded by Electric Bitters. Sold at fifty cents a bottle at E. C. M. I. Drug Store.

Disorders Which Affect the Kidneys are among the most formidable known. Diabetes, Bright's disease, gravel and other complaints of the urinary organs, are not ordinarily cured in severe cases, but they may be averted by timely medication. A useful stimulant of the urinary glands has ever been found in Foster's Stomach Bitters, a medicine which not only affords the requisite stimulus when they become inactive, but increases their vigor and secretive power. By increasing the activity of the kidneys and bladder, this medicine has the additional effect of expelling from the blood impurities which it is the peculiar office of those organs to eliminate and pass off. The Bitters is also a purifier and strengthener of the bowels, an invigorant of the stomach, and a matchless remedy for biliousness and fever and ague. It counteracts a tendency to premature decay, and sustains and comforts the aged and infirm.
